Description

Completely renovated, this beautiful flat offers beautiful volumes in a particularly cosy and modern atmosphere.

The very high quality materials, the layout of the rooms and the decoration have been chosen with great taste.

Elegance and refinement give this flat a very pleasant and peaceful atmosphere.

The kitchen open to the large living room is very friendly and functional. From your living room, you can admire the landscape, the mountains and watch the snow fall.

Four large bedrooms and three bathrooms (Italian shower and bathtub) allow you to welcome your family or friends in the greatest comfort and luxury.

Because of its central location, an outdoor parking space will allow you to put the car down and take care of it.

The bus station (free shuttle) is located 50 meters from the residence and serves the whole of our beautiful resort of Crans-Montana in 5 minutes.

This flat also benefits from a relaxation area, with a swimming pool and a sauna. Enjoy these virtues after a good day in our beloved resort.
